- 1. Position Name** Faculty-Mechanical
No of Position 4
Essential Qualification B.Tech / B.E. in Mechanical Engineering from a recognized institution.
Required Skill Ability to deliver classroom and practical training sessions on CNC / CAD-CAM.
Experience Minimum 2 years of experience in teaching, training, or industry in the field of Mechanical Engineering./CAD-CAM /Tool & Die Making
Age Maximum 35 years as on the date of publication of advertisement.
- 2. Position Name** Faculty - Electrical
No of Position 4
Essential Qualification B.Tech / B.E. in Electrical Engineering from a recognized Institution/University.
Experience
 - Minimum 2 years of experience in teaching, training, or industry in the field of Electrical Engineering.
 - Experience in Industrial Electrical Systems, Electrical Maintenance, PLC, Motor Control, Industrial Automation, Electrical Machines, and Power Distribution Systems will be preferred.**Required Skill**
 - Sound knowledge of Electrical Engineering fundamentals.
 - Ability to conduct classroom and practical training sessions.
 - Familiarity with PLC, VFD, Industrial Automation, and Control Systems / Mechatronics.**Age** Maximum 35 years as on the date of publication of advertisement.
- 3. Position Name** Faculty – DTDM (Diploma in Tool & Die Making)
No of Position 2
Essential Qualification Diploma in Tool & Die Making / Diploma in Mechanical Engineering with specialization in Tool Engineering OR B.Tech / B.E. in Mechanical Engineering, Production Engineering/ Tool Engineering/ Manufacturing Engineering, or equivalent from a recognized Institution/University.
Experience
 - Minimum 2 years of experience in teaching, training, or industry in Tool & Die Making, Manufacturing, Production, Tool Room, CNC Machining, CAD/CAM, or related fields.
 - Candidates with experience in tool room operations will be preferred.**Required Skill**
 - Sound knowledge of Tool & Die Making, Manufacturing Processes, and Production Engineering.
 - Knowledge of Press Tools, Jigs & Fixtures, Moulds, Gauges, and Tool Design.
 - Proficiency in CAD/CAM software such as AutoCAD, SolidWorks, Creo, CATIA, Mastercam, or equivalent.**Age** Maximum 35 years as on the date of publication of advertisement.
- 4. Position Name** Faculty – DIM (Diploma in Mechatronics)
Essential Qualification B.E. / Diploma in Mechatronics Engineering / Electrical Engineering / Electronics & Telecommunication Engineering
Experience Minimum 2 years of experience in teaching, training, or industry in Mechatronics Industrial Automation, PLC, Robotics, Pneumatics, Hydraulics, Sensors, Control Systems, and Industrial Maintenance.
Required Skill
 - Sound knowledge of Mechatronics and Industrial Automation.
 - Hands-on experience with PLC, HMI, SCADA, VFD, and Servo Systems.
 - Knowledge of Pneumatic and Hydraulic Systems.
 - Ability to conduct theory and practical training sessions.**Age** Maximum 35 years as on the date of publication of advertisement.
- 5. Position Name** Project Coordinator
Essential Qualification B.Tech / B.E. in Electrical / Mechanical Engineering from a recognized Institution/University.
Experience Experience in administrative support or project supports will be preferred.
Required Skill The candidate should have good knowledge in maintenance / PLC / Electrical Maintenance etc.
Age Maximum 40 years as on the date of publication of advertisement.
- 6. Position Name** Faculty – Fitter Trade (Govt ITI, Athamallik)
No of Position 02
Essential Qualification Degree in Mechanical Engineering from an AICTE/UGC recognized Engineering College/University, or Advanced Diploma (Vocational) from DGT /ITI/NTC/NAC passed in the Trade of “Fitter.”
Experience Candidates having experience with CITs will be preferred.
Age Maximum 30 years as on the date of publication of advertisement.
- 7. Position Name** Faculty – RAC (Refrigeration & Air Conditioning) Trade (Govt ITI, Athamallik)
No of Position 01
Essential Qualification Degree in Mechanical Engineering from an AICTE/UGC recognized Engineering College/University, or Diploma in Mechanical Engineering from an AICTE recognized Board of Technical Education OR relevant Advanced Diploma (Vocational) from DGT / ITI/NTC/NAC passed in the Trade of “RAC (Refrigeration & Air Conditioning).”
Experience Candidates having experience with CITs will be preferred.
Age Maximum 30 years as on the date of publication of advertisement.

Salary will be commensurated with the qualification and experience for the above positions.

Apply on or before 10th July 2026 (Friday)
